Name : PISKEL, BEVERLY

Voter ID : [REDACTED]

Polling Place : Inside

Time and Date : May 17 2022 1:23PM

Complaint Detail : We were told there were no more ballots available for the Republicans. We were told that the county was told at 7 and 9 am, and nothing had been done. We had to vote on a machine that printed out our choices, and then they assured us this would work like a regular ballot. Everyone in the long, long line was not sure their vote counted. Many people waited so long they left. This is not the way any of this is supposed to work. Please at least hand count or audit our ballots. My vote should count.

Name : HARRIS, JACQUELINE

Voter ID : [REDACTED]

Polling Place : Inside

Time and Date : May 17 2022 12:46PM

Complaint Detail : There weren't enough Republican ballots when I went to vote. Republicans had to wait several hours to vote with a real ballot, while Democrats could walk in & walk out. Republicans had to "vote on a machine that hadn't been used in years" or wait for the paper ballots. Eventually someone arrived with more ballots (several hours after the people running the polls had called for more). One of the Democratic volunteers was getting angry & making rude comments to anyone who complained. Unacceptable.
